## COMPANY SNAPSHOT

Since 1972, Multi-Craft Contractors (MCC) has placed top priority on the success of our clients and our employees. With this as our charter, MCC has experienced steady growth and success through the years. We've grown from our start as a basic MEP contractor into a turnkey, design-build contractor, offering all major project trades under one company. Employing over 750 qualified craftsmen, designers, engineers, project managers and support personnel, MCC is equipped to deliver a total project solution from concept to completion. Not only does MCC have a "deep bench" of talent to focus on your project, we also have a broad knowledge/experience base to share with your design team. Take advantage of MCC's unique turnkey, design build offering and call us the next time you begin planning a time-critical shut-down, plant expansion or new construction project. We would be honored to work with you!
